

The Tarrant Area Food Bank **RED Bus** will be visiting JPS clinics.

Have you worried that your food would run out before you had money to buy more? Has the food you bought not lasted and you didn't have money to buy more? If you answered "yes" to one or both of these questions, JPS Health Network may be able to help. In partnership with the Tarrant Area Food Bank, JPS will host the RED Bus at a JPS health center near you.

The RED Bus provides community resource assistance, nutrition education, and nutritious food to communities with high levels of food insecurity. The Bus helps delivery of these resources through benefits sign-up (SNAP, CHIP, TANF, Healthy Texas Woman, WIC, and Medicaid) and emergency food relief across ZIP codes needing high levels of food support.

To enroll in services, bring the following:
